SOMMELIER TASTING NOTES

WINE TASTING

Deep, dark color that offers complex wine and intense aromas. Current, black berry, bell pepper, spices, mint and vanilla are some of the nuances that take shape in the glass. Medium full-bodied, rich in tannins and very flavorful, long and elegant aftertaste of juicy black fruit. Reflecting the typical characteristics of the terroir.

WINE SERVING

Best-served between 15-17°C. For immediate consumption, from two months after bottling, even after 2 years.

WINE PAIRING

Ideal to combine with Thai food, roasts, stews and casserole dishes, Manchego cheese and pizza.

VINIFICATION

WINE-MAKING PROCESS

The harvest took place during the second half of September. Wine ferment on the skins for 20 days with frequent punchdowns of the cap, two times per day, at a controlled temperature of 26°C. After racking, malolactic fermentation ends and wine goes on to aging in oak barrels for three months.
